Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment:

1. According to 37 CFR 41.37 (d): If a brief is filed which does not comply with all the requirements of paragraph (c) of this section, appellant will be notified of the reasons for non-compliance and given a time period within which to file an amended brief. If appellant does not file an amended brief within the set time period, or files an amended brief which does not overcome all the reasons for non-compliance stated in the notification, the appeal will stand dismissed.
2. The events of this case occurred as follows:
 - i. On 5/23/2006 this application was made Final.
 - ii. On 11/28/2006 Applicant filed a Notice of appeal.
 - iii. On 1/29/2007 Appellant submitted an appeal brief.
 - iv. On 4/9/2007 the brief of 1/29/2007 was held non-compliant.
 - v. On 4/20/2007 Appellant submitted an amended appeal brief.
3. This amended brief failed to overcome all the reasons for non-compliance stated in the notification. Specifically, in the notification mailed on 4/9/2007 the appellant was notified that the summary of claimed subject matter section must:
 - i) Identify all independent claims on appeal.
 - ii) Map all independent claims on appeal to the specification by page and line number (or paragraph).
 - iii) Map all independent claims on appeal to the drawings, if any, by reference characters.
4. In response, the appellant filed an amended brief on 4/20/2007 that not only failed to refer to any of the drawings, or drawing reference characters, the amended brief also failed to identify independent claim 17 or map independent claim 17 to the specification by page and line number (or paragraph).
4. As such, 37 CFR 41.37(d) was invoked and the Appeal is Dismissed.
5. Since no claims stand allowed, the application is considered abandoned as of the date the reply to the notice of appeal was due (MPEP 1215.04).
